HEMEROCALLIS In addition to our own hybrids, we offer a selected list from other growers. Shipments made after blooming.

CHRYSANTHEMUMS Our chrysanthemums are grown in 2½ inch pots and are ready for shipment from mid May to July.

Visitors are always welcome. We are located on Brookside Road, near Forest Street, which runs from Washington Street near Wellesley Hills Square, to Central Street, Needham.

Terms are cash with order, check, draft, or money-order. Postage is paid on orders over \$5; on smaller orders add 25¢ for packing and postage.

JOIN THE AMERICAN IRIS SOCIETY

Four bulletins are issued each year, which are filled with valuable information, and monthly meetings of members in this region are held during the winter, with trips to members' gardens during the height of the blooming season. Yearly membership fee \$3.50. For each membership fee of \$3.50 and order of iris of \$3.00 we will send an additional iris value, our choice. Checks for membership made out payable to THE AMERICAN IRIS SOCIETY.

Join the HEMEROCALLIS SOCIETY for rewarding information on day-lilies. Yearly dues of \$3.00 cover the Yearbook, newsletter, and trips to gardens. Send to Mrs. Pearl Sherwood, Secretary, Atlantic, Iowa.
